

Friday, August 28th

1. Parent Letter home and Standards-Based Grading (1st and 7th)
2. Create one SMART goal for English for the 1st 9 weeks (using the standards-based scale and the skills for 1st quarter), and one SMART goal for the “Success Skills” this quarter (which doesn’t have to be for English only)

SET ONE SMART GOAL FOR ENGLISH

- It has to be specific (what EXACTLY do you want to get better at?) Look at the skills!
- It has to be measurable (we can track your progress)
- It has to be attainable (realistic)
- It has to be relevant (nothing pointless!). Use the skills on the right!
- It needs to be time-based (you have to complete it within a specific amount of time)

We will **OFFICIALLY** get on the laptops starting **Monday/Tuesday!** Come prepared (in other words, if I **STILL** do not have your Tech. Policy by Monday, you will only be able to watch rather than participate).

Don't forget to take home the letter to your parents about grading (1st period and 7th period)!

We had a fantastic week this week. Have a GREAT weekend, and I'll see you next week!
