CHARACTER CASE FILE

Full Name: Jimmy Lee Date of Birth: April 24, 1996 Current Age: 19 Occupation: Full-time Student; part-time computer programmer

Parents: Both alive (live close to the university) **Siblings:** 1 Brother (Jared, older), 1 Sister (Katie, younger) **Spouse:** none **Children:** none

Personality: *Composed but energetic* **Behavior:** *Enjoys challenges and is often very enthused when presented with an obstacle*

Habits: Spends time with family once a week for dinner to keep connected **Relationships:** Has a vast connection of friendships as he is a very likable and friendly guy; strong relationship with family

WORST QUALITIES >>>>>>

Personality: Can be so quick to figure out problems or solutions yet fail to verbalize thoughts well for the sake of others

Behavior: Can talk too fast when his mind speeds up to solve something and can act a bit frazzled in these situations **Habits:** Can spend too much time with his laptop instead of with people **Relationships:** If he is not intentional about his relationships, they can easily fall by the wayside

Foods: Homemade (when he can go home); Ramen noodles (he's a student on a budget!) Music: Top 40, some Rap/R&B Movies: Doesn't go see movies (too expensive!) but he'll watch what he can download Sports: Not very interested

Hobbies: *Programming and sometimes playing games online*

Possible Hindrances: Isn't always the best with communication **Possible Assets:** Can problem-solve quickly and efficiently

Carrying: Laptop (25% battery life); backpack (rolled up sweatshirt, granola bars, one large energy drink, swiss army knife)
